

CV of Dr. Rainer Beck

Date of birth	April 26, 1951
Nationality	German
Address	Max-Planck-Institut für Radioastronomie Auf dem Hügel 69, 53121 Bonn, Germany Email: rbeck at mpifr-bonn.mpg.de
Place of residence	Bornheim, Germany
Education	1969 - 1975 Study of Physics and Astrophysics at Universität Bochum 1975 Diploma in Physics 1976 - 1979 PhD study of Astrophysics at Universität Bonn and Max-Planck-Institut für Radioastronomie 1979 PhD (Promotion) in Astrophysics at Universität Bonn
Professional experience	1979 - 1980 Postdoctoral research associate at Radioastronomisches Institut, Universität Bonn 1980 - 1983 Research assistant at Max-Planck-Institut für Radioastronomie Bonn 1983 - 1985 Research assistant at Max-Planck-Institut für Kernphysik Heidelberg, Dept. of Theoretical Cosmophysics Since 1985 Senior scientist at Max-Planck-Institut für Radioastronomie Bonn 2001 - 2004 Elected member of the CPT Section of the Max-Planck-Gesellschaft Since 2002 Member of the International SKA Science Working Group Since 2004 Core member of the SKA Key Science Project "Cosmic Magnetism" 2006 - 2009 Member of the Board of the German Long Wavelength Consortium (GLOW) 2006 - 2008 Secretary of the German Long Wavelength Consortium (GLOW) 2007 - 2015 PI of the LOFAR Key Science Project "Cosmic Magnetism"
Foreign stays	1992 (March - May) Guest at the CSIRO Radiophysics Division (Epping/Australia) and University of Sydney
